MEMORANDUM FOR Non Excepted Technicians

SUBJECT: Notice of Decision to Furlough due to a Lapse in Appropriation

1. In the absence of either a Fiscal Year (FY) 14 appropriation, or a continuing resolution for the Department of Defense, no further financial obligations may be incurred by the North Carolina National Guard (NCNG), except for those related to the orderly suspension of NCNG operations or performance of excepted activities as defined by National Guard Bureau guidance. This action is being taken because of a sudden emergency requiring curtailment of the state's activities; therefore, no advance notification is possible. You are hereby notified of a furlough pursuant to the authority in Technician Personnel Regulation 715, *Voluntary and Non-Disciplinary Actions*.
2. Your services are not essential for the orderly suspension of operations and you are not engaged in one of the excepted functions. Therefore, you are being placed in a furlough status effective 1 October 2013. This furlough is not expected to exceed 30 days. You should monitor public broadcasts and the Internet. When a continuing resolution or an FY14 appropriation is approved, you will be expected to return to work on your next regular duty day.
3. When you are on furlough, you will be in a non-pay, non-duty status. Also, during any furlough period, you will not be permitted to serve as an unpaid volunteer, must remain away from your workplace, and are prohibited from performing any work-related duties during that time. In accordance with 32 U.S.C. §709(f)(4), there is no right of appeal beyond the adjutant general.
